Are you 18 yrs. Of age? [] Y [] N

It is my responsibility to pay all Utility Bills with Spring City Waterworks until I personally sign a discontinuance of service document. All prior debts with the Waterworks Department must also be satisfied in full before any new service begins. I certify that the answers given herein are true and complete to the best of my knowledge. I authorize the investigation of all statements contained in this application to assure validity. I fully understand that if any of the answers in given in this document are found to be untruthful, it will be grounds for immediate discontinuance of water service regardless of payment history. I understand that there will be \$100 tampering fee if the meter at this location is touched by anyone other than a city employee. The meter cannot be turned on or off by the customer or repair person (s) unless he or she has contacted the city office to obtain authorization. All residents should install a shut-off valve for their use. The meter is owned by the city and is only for city use.

We are not responsible for lost or missing bills. If you do not receive your bill by the end of the first week of the month, please call or stop by to inquire about your balance or pay your bill. Bills are due and payable upon receipt and acquire penalty after the 12th of the month. After the 12th, there is a 10% penalty assessed to any unpaid balance. If the 12th falls on a weekend, penalty will not be assessed until the following Tuesday. All unpaid balances will be disconnected on the 23rd of each month. If the 23rd falls on a Friday or a weekend, disconnection will be the following Monday. After disconnection, a \$50 late fee applies in addition to the past due balance on the account. A returned check fee of \$40 applies to all check and ACH returned NSF and we will no longer accept checks from you if a check is returned. Another form of payment (money order, cashier's check, cash) will only be accepted in this case. If the returned check and fee are not collected within one calendar week, your service will be disconnected.

_____Ordinance 17-103 – Containers shall not have a capacity of more than (3) 32 gallons and the container and contents shall not weigh more than 75 pounds.

_____I have received a picture of the setter that is issued by the Town of Spring City. In the picture it is explained what is the cities responsibility to maintain and what is the patron's responsibility to maintain.

The Town of Spring City and/or Spring City Waterworks does not discriminate based on race, color, or national origin in federal or state sponsored programs, pursuant to Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d). By signing below you authorize that you fully understand all mentioned above.

What date would you like service to begin?
